So, like, what is this stuff, anyway?

I taste a bunch-o-wine (technical term for *more than most people*). So each week, I share some of my wine reviews (mostly from samples) and tasting notes with you via twitter (limited to 140 characters). They are meant to be quirky, fun, and easily-digestible reviews of currently available wines. Below is a wrap-up of those twitter wine reviews from the past week along with links to help you find these wines, so that you can try them for yourself. Cheers!
